Abrakadoodle Anime (Ages 8-14)

Join in the newest trend in animation! Anime is the Japanese art of animation and Camp Abrakadoodle teaches you how to create that unique look that is Anime! Learn about the basics of head and facial features plus body motion and everything else to create your own Anime characters. Use shapes, colors and techniques with art materials used in the industry to produce finished Anime. A guide book to all the specific features helps you create your characters. At the end of camp take your Abrakadoodle Anime Guide Book and the rest of your materials to further explore this unusual art form at home. Materials fee includes all materials, games and stories used in class as well as the take home kit that extends the learning & fun at home. For those that took Anime last summer, we'll structure your program as a continuation of last year.

In this new series of lessons we will create remarkable art using recycled items such as CDs, plastic bottles, packaging, paper tubes and more. There'll be lots of 3-D projects such as creating French Santons statues and fuzzy animals and puppies, as well as using reusable items for painting and drawing!
